CATHOLIC SCHOOL

Thursday 10th May

Dear Parents and carers,

Running Club Session at Tooting Bec Athletics Track

This Friday's running club (11th May) and next Friday's running club (18th May) will be taking place at Tooting Bec Athletics Track (Tooting Bec Road, SW17 3NP) with a specialist coach. The session will take place between 3:45 and 4:45 pm. We will be leaving school a few minutes early and travelling by mini-bus. **Please note** that children can be collected from the running track at **4.45pm** otherwise we anticipate that we will be back at school by **5:15pm** - although this is dependent on traffic.

The children can wear their own running kit and must have trainers. Plimsolls are not appropriate. If your child already owns track spikes, then they should bring them too, but no special purchases need be made. There is no need for 'skins' under running kit now that it is warmer; layers that can be taken off are a better choice. The children **must** also bring a drink with them.

Yours sincerely

Mrs S. Stevens-Cox
